Credit Application Terms

New Accounts

To open a new credit account with Dundee Manufacturing please fill out the application provided and fax to (734) 456-3583, attention Credit Department.

Credit Terms

Promotions and special terms will not apply if account is past due. If the account becomes past-due beyond terms agreed upon, Dundee Manufacturing Company reserves the right to terminate those promotions or special terms of said past due invoice(s) if applicable. Unapplied credits or payments received on past due accounts may be applied to the oldest balances first, including service charges.

Credit Approval

Upon receipt of your signed and completed credit application, a thorough investigation will be conducted. After all information has been reviewed, a determination will be made as to the amount of credit availability given to your company. During the period of time prior to credit approval, purchases can be made C.O.D or by credit card. All credit card payments will be charged a 3% service fee from our credit card processor.

Credit Limit

The credit limit is the maximum credit available on a current account. Credit limits will vary from company to company, based on financial conditions and actual payment history. Once a limit has been set, Dundee Manufacturing Company will keep a customer's account maintained at the level provided payments are received in accordance with Dundee Manufacturing's credit terms. Failure to make payments in a timely manner could result in a lowering of your credit limit to a level which your company is capable of maintaining on a current basis.

Should you have a need to increase your credit availability due to growing business needs, please contact the Credit Department. Only the accounts in good standing will be considered.

Note: If you have a past due balance and you are below your credit limit, the remaining credit is no longer available to you. Hence, you may not be allowed to take delivery on additional merchandise until the past due balance has been paid.

Credit Hold

Invoices are considered to be past due if unpaid within the terms stated on the invoice. If payment is not received, we will contact you and provide a friendly reminder, or if necessary, supply any missing information you might need to resolve any problems with your account. Accounts whose unpaid balances extend beyond 30 days past due may be placed on credit hold, and are subject to shipping delays until the account is brought current. Conditions for continued shipments will be contingent upon mutually acceptable agreement regarding payment of the overdue balance. Accounts whose balances exceed the credit limit may also be placed on credit hold. Additional shipments will be made C.O.D. basis, upon mutual agreement, until payment is received which reduces the account balance below the credit limit. Any order placed on hold for these reasons maybe canceled after ten (10) working days if the situation is not resolved to Dundee Manufacturing Company's satisfaction. It will be the responsibility of the customer to resubmit the order.

Accounts whose balances extend beyond 60 days past due maybe refused shipment until a mutually acceptable and functioning payment schedule is arranged, and all amounts 30 days or more past due are cleared.

Accounts whose balances extend beyond 90 days past due without a mutually agreed-upon and functioning payment schedule may be placed with a third-party for collection purposes. Dundee Manufacturing Company will attempt to notify you by telephone, email or mail prior to this action taking place. At this point, all actions will be handled by that third-party. Once your account has been placed with a collection agency, you will not be allowed to purchase any additional merchandise until you have paid the balance due on that account, accumulated financed charges and collection costs incurred by Dundee Manufacturing Company. Any questions you may have regarding any credit problems are policies can be answered by our Credit Department Monday through Friday, 9 AM to 4:30 PM Eastern Standard Time at open (734) 529-2540.

Pricing

Dundee Manufacturing Company will endeavor to advise you prior to any price increase; however, that may not always be possible. Prices are subject to change without notice. Possession of the Dundee Manufacturing Company's price list is not saleable.

Terms

Open account terms are Net 30 days from invoice date for customers who qualify for terms. A late charge of 1.5% per month (18% annually), or highest rate allowed by law may be charged on the unpaid balance of past due accounts. Any past due balance must be paid for before more product will be shipped on open account basis. Any account 30 days past due is subject to collection and dismissal of a customer.
