Product Description

Is your idea for a new product or an improvement to an existing product?

Do you know of a patent or pending patent that exists on this product idea? If yes, please indicate patent number.

Do you currently use this product?

How does your product or idea differ from other similar products? Please provide the links to any applicable websites.

Describe your product idea in detail. Be sure to explain how the product works and identify the problem(s) that the product solves. Include any sketches or drawings to help illustrate product application and physical attributes (characteristics).
